

To whom it may Concern

We find JMF Plumbing Pty Limited a very professional company to deal with. Along with John, Jeff and Simon, the whole JMF team is very diligent in all aspects, including respect for the Clients they work for. JMF are prepared to provide that extra effort that makes them stand out from the rest.

We find JMF a very proactive company rather than being reactive. Their service is first class, delivering quality along with peace of mind at competitive prices.

We highly recommend JMF Plumbing.
